

ASSET MANAGEMENT PRACTICE

With over 35 years of experience, the RSR Asset Management Practice is a recognized leader in executive search for the asset management industry. The team has worked in partnership with some of the most prominent and recognized investment institutions globally, completing over 1,000 search assignments.

The Practice enjoys a 96% completion rate and over 85% of our new assignments come from existing relationships and referrals. Our experience spans a range of client types and job functions, giving us a deep network and access to investment leaders and professionals throughout the industry. We are known for our discretion, grace, integrity, and results.
